For A Biblically Literate Future

"Jesus said to him, if you love Me,
feed My sheep."
(John 21:15-17)

Who We Are

A publishing ministry headquartered in California with fulfillment and distribution operations in Kentucky.

What We Publish

Our first title was printed in 2006. Since then, we have added more than 50 titles and anticipate doubling that within a year's time. We currently offer books in the following categories:

- Apologetics
- Devotional
- Doctrinal
- Evangelistic
- Pastoral

VISION STATEMENT:

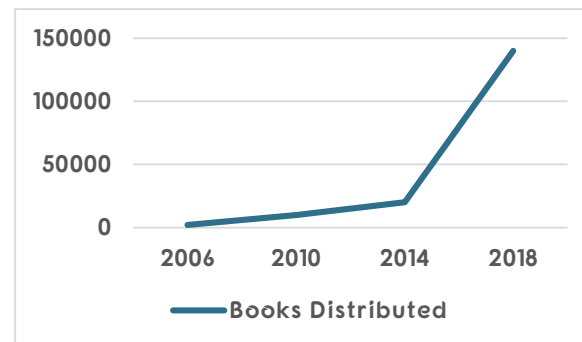

“Christian publishing has become an industry that is **profit driven** when it should be **ministry driven** by love, regulated by biblical principles, and lead by Christians.”

How We Do What We Do

We are a faith ministry, which means we simply trust God to provide the funds necessary to distribute free Christian literature worldwide, which He has done so far through like-minded Christians who share in our vision. “Freely you have received, freely give” (Matt. 10:8).

What FLP Has Done

To date, we have been able to give away nearly 200,000 Christ-centered books around the world for the growth of God's people and the spread of the gospel.

Take Action For Biblical Literacy

Needy souls around the world cannot afford biblical, gospel-centered literature. We must respond to this global crisis while we can.

Here are **five ways** you can engage today:

- **Invite** FLP to your church to give a power-point presentation and distribute free books.
- **Pray** for FLP to fulfill our vision of worldwide literature saturation, “For the earth shall be full of the knowledge of the Lord as the waters cover the sea” (Isa. 11:9).
- **Volunteer** your writing, proofreading, editorial, and translating skills.
- **Share** our ministry updates with others via Facebook, Twitter, email, etc.
- **View**, download, and order literature online at:
